

A scatter plot showing the relationship between x_1 (X-axis) and y_1 (Y-axis). The X-axis ranges from approximately 1.65 to 1.95, with major ticks at 1.75, 1.80, 1.85, and 1.90. The Y-axis ranges from approximately 0.0 to 1.0, with major ticks at 0.0, 0.5, and 1.0. The data points are represented by blue circles with black outlines. There are three distinct clusters of points: a cluster on the left (low x_1), a dense cluster in the center (middle x_1), and a cluster on the right (high x_1). A legend in the bottom-left corner shows a blue circle labeled y_1 .
